Home Owners Association Newsletter

Dear Home Owners of Beaver Creek Lodge,

As our 2017 Winter season comes to a close, we look forward to welcoming warmer weather and spring skiing conditions. We hope you get out and enjoy Colorado's short Spring season while it lasts. There's still time to cruise down Centennial in a T-shirt, but get ready to put away skis and snowshoes and bring out fishing poles, golf clubs, hiking boots, and mountain bikes. Spring is here, but Summer is just around the corner. Enjoy the mountains!

Warm regards,

The Beaver Creek Lodge Team

Marriott Autograph Collection

As you know, we are working on becoming part of the Marriott Autograph Collection. This is still in the works and has not been finalized. As more details come available, the Beaver Creek Lodge team will continue to update our owners on the status of this process.

Hotel Updates

The BCL team is working on a list of items and hotel features that will be updated or replaced during the closure. For example, the fitness center has recently been painted a lighter color to brighten up the room and give it a more spacious feel. We will also be replacing the carpet in the fitness center with rubber flooring. In addition, our engineering team is in the process of replacing all lighting fixtures with LED lights in order to be more energy efficient and continue to decrease the electricity costs for the property. These are just a few of the exciting changes our team will be making and we look forward to sharing them with you!

Feature in Denver Life

We are proud to announce that Beaver Creek Lodge was featured in the February issue of Denver Life magazine! Denver Life discussed “great getaways” for their February issue by reviewing contemporary hotels and rustic retreats. The article introduces Beaver Creek Lodge as “a chic hotel in the middle of Beaver Creek Village where the spacious condos come with all the cozy extras you’d want from a luxe mountain retreat: hot tub, fireplaces, faux fur throws.” It also goes on to mention our restaurant Revolution’s “one-of-a-kind après –ski” lunches and dinners. What an honor! We are very excited about this recent exposure.
