Home Owners Association Newsletter

Dear Home Owners of Beaver Creek Lodge,

Even though we are currently in the midst of our off season, summer is right around the corner! As we prepare for the return of our exuberant guests and owners, we are continuing to update the hotel features and amenities. We have been conducting room inspections in every suite to determine the condition of the room and make note of all items that need attention. We look forward to sharing the final product with you and will continue to share our exciting renovations.

Warm regards,

The Beaver Creek Lodge Team

Direct Deposit of Revenue Checks and HOA Dues

Our system is not set up for direct deposit of revenue checks at this time. However, we are working on making this an option for our owners as it is more convenient and efficient than sending them in the mail. In addition, we are also working on being able to offer automatic EFT payment options for quarterly owner HOA dues. Finally, if any owner wishes to have their quarterly HOA dues emailed to them instead of being mailed, please let our controller, Bill Fackler, know at bill.fackler@kesslercollection.com Thank you!

As a reminder, please let Erin know of any moving companies and contractors performing work in the building. We need to get contact information as well as insurance information from these companies. We have specific guidelines to ensure your property is protected physically and financially and need to outline the expectations to these companies.
