## Home Owners Association Newsletter

Dear Home Owners of Beaver Creek Lodge,

On behalf of the entire staff here at Beaver Creek Lodge, we would like to thank you for a fantastic summer and fall season! We are looking forward to welcoming our owners and their families in the winter season for skiing, snowshoeing, sleigh rides, cozy fireplaces, and everything that makes Beaver Creek the perfect winter wonderland. Believe it or not, we have already received our first snowfall and are waiting for ski season to arrive.

Warm regards,

The Beaver Creek Lodge Team

### Upcoming Hotel Closure

Per usual, the Lodge will be closing briefly to gear up for the ski season ahead of us. During this time we will be working on scheduled hotel maintenance as well as staffing our departments to better manage our guests', and your, needs. Our last day of operation will be October 15, 2017 and we will reopen November 21, 2017. While we are closed we will ensure security by maintaining around the clock staffing in the hotel. However, all services will be suspended. The doors to the hotel will remain locked; in the event that you need to access your unit you will be able to enter the building through the garage. We look forward to welcoming you back to the Lodge in the upcoming season!

### Marriott Autograph Collection Update

We are slowly but surely making progress in setting a date for a Special Meeting of the members of the Beaver Creek Lodge Condominium Association regarding the potential of Beaver Creek Lodge joining the Marriot Autograph Collection and undergoing a property improvement plan.

By now all home owners should have received an email or phone call from either Steve Broadbent or Dave Rivard with information about the Marriot property improvement plan. If any members of the Association feel uninformed or have further questions, they may contact Kevin Shields, Beaver Creek Lodge General Manager, at 970-845-1715 or his email [kevin.shields@kesslercollection.com](mailto:kevin.shields@kesslercollection.com). Kevin would be more than happy to chat with you and address any concerns you may have. We do not want there to be any confusion and

Furthermore, prior to the meeting, home owners will receive a meeting notice stating the time and date of the Special Meeting along with an enclosed proxy in the event that an owner is not able to attend.

The entire staff of the Beaver Creek Lodge is very excited about the possibility of our property joining the Marriot Autograph Collection. This brand will bring tremendous exposure to Beaver Creek Lodge and the renovations included will bring us up to par with our competition properties in Beaver Creek Resort. Our property is long over-due for some sprucing up and it would be an honor for Marriot to assist us through this process.
