August 21st Jon Anderson

Jon Anderson is undoubtedly one of the most recognizable voices in progressive rock as the lead vocalist and creative force behind Yes. Anderson was the author and a major creative influence behind the ground breaking album "Fragile" as well as the series of epic, complex pieces such as "Awaken", "Gates of Delirium" and especially "Close to the Edge" which were central to the band's success.

August 24th Jose Gonzalez

Since releasing "In Our Nature" in 2007, José González has been steadily collecting ideas for new songs. José has been far from idle since the release of "In Our Nature." Besides making two Junip albums and touring the world both solo and with the band, González has been active in the studio in various contexts.

August 30th Billy Strings
