

A WARM WELCOME

GENERAL MANAGER, KEVIN SHIELDS

"It is hard to believe we are heading into another ski season and with some early winter snow and the immediate openings of Keystone and A-Basin it seems like we are preparing for another great year. We are approaching our one year anniversary with the Autograph Collection partnership and as expected we are seeing a big lift in our ski season reservations are above the increased flight loads posted by the Eagle County Airport. Thank you for all you have done to improve the Beaver Creek Lodge and it is exciting to see the continued changes in and around the property."

VILAR PERFORMING ARTS SCHEDULE

October 20st The Small Glories

The Small Glories' Cara Luft and JD Edwards perform winsome, bluegrass-inflected folk-pop music that's only deepened by their loose and lighthearted onstage chemistry. The pair's concerts often double as comedy shows, wherein byzantine song intros somehow magnify the escapism of the buoyant songwriting. But the music itself is no joke: Luft is a Wailin' Jennys alum whose work on the clawhammer banjo is to die for, while Edwards' guitar and vocal harmonies deepen and enrich the duo's sound.

October 24th The Burroughs

Steeped in classic soul standards and outfitted with modern flair, The Burroughs are a nine piece band with a powerhouse sound that has been electrifying audiences across Colorado and beyond. Since 2013, the band has lit up stages with their trademark brand of "Sweaty Soul Music," quickly earning their rightful place as one of the best live bands in the region.

November 1st Las Cafeteras

Born and raised east of the Los Angeles river, Las Cafeteras are remixing roots music and telling modern day stories. Las Cafeteras create a vibrant musical fusion with a unique East LA sound and positive message. Their Afro-Mexican beats, rhythms, and rhymes deliver inspiring lyrics that document stories of a community seeking love and justice in the concrete jungle of Los Angeles. Using traditional Son Jarocho instruments like the jarana, requinto, quijada (donkey jawbone) and tarima (a wooden platform), Las Cafeteras sing in English, Spanish, and Spanglish and add a remix of sounds, from rock to hip-hop to rancheras. Las Cafeteras use music as a vehicle to build bridges among different cultures and communities, and create 'a world where many worlds fit'.
