

## A WARM WELCOME

**GENERAL MANAGER, KEVIN SHIELDS**

All of us here at the Beaver Creek Lodge continue to wish you and your families health and wellness through these trying times. From the hotel business we have had over the past few months, we know people want to get out and travel. We have been surprised by the number of guests out traveling our beautiful state of Colorado. New regulations are coming on constantly and the state is working on a new metric that allows operation leniency depending on the number of cases in individual areas. As the leaves change we are all beginning to think ski season so please contact Heidi regarding any plans to utilize your units. Thank you
