

A WARM WELCOME

GENERAL MANAGER, KEVIN SHIELDS

I can't believe it is that time of year again but – Happy Holidays from snowy Colorado. We have had a couple of nice storms come through preparing the mountain for a wonderful ski season. If Summer is an indicator we should have a successful ski season. Meanwhile, Eagle County is ensuring proper COVID-19 protocols in place so we can maintain our business levels. For updated information you can locate up-to-date information at <https://www.eaglecounty.us>. Last but not least the reservation system that Vail Resorts has in place is up and running. Please make sure you reserve your ski dates in advance so you are able to get out and enjoy beautiful Beaver Creek Resort.
